## NEW Competition Program

### Interested in auditioning for the 2010–2011 competition team?

New this year, Simcoe Dance Academy will be offering a four day intensive program for any student who would like to audition to become a member of the Competition Team. Students will be evaluated in technique, endurance, flexibility, floor work, choreography, as well as performance. Students must remember that even though they participate in the program, it does not mean that they have a predetermined spot on the team. Also current members of the team are still required to participate in the audition process. Most importantly dancers must remember that this is considered a “Boot Camp” and it will be difficult!!!
